MAJOREtte!

PUT ON YOUR PARTY PANTS

While she might be the little sister of Boo Cat Club, Majorette knows how to turn it up a notch. The venue's high capacity, ample parking and outdoor space, private bridal room and deck make for a refreshing and customizable approach to weddings, lunch and learns, conferences, galas, networking events and more. The clerestory stage is a perfect setup for heartwarming speeches, meaningful presentations, or unforgettable ceremonies looking out onto the spacious main floor and mezzanine. Once the main event is over, guests have the option to continue enjoying the grand bar and wide open spaces of the main floor and mezzanine or head downstairs to the game room for a playful after-party where you'll even feel comfortable bringing your damn kids.
